MEMORANDUM FOR Connecticut Funeral Director Association Members and Military Funeral Honors Veteran Service Organizations

SUBJECT: Resumption of State-funded Military Funeral Honors

1. The purpose of this memorandum is to announce the resumption of state-funded supplemental military funeral honors. With Governor Dannel P. Malloy's signing of the state biennial 2018-2019 budget yesterday, the state military funeral honors program is funded.
2. The state funding permits the Connecticut Military Department to immediately resume assigning qualified three-member firing teams from Veteran Service Organizations to perform funeral honors in conjunction with the federal military funeral honor program.
3. Questions concerning supplemental military funeral honors may be directed to Mr. Ed Barry, State Military Funeral Honors Coordinator, at (860) 881-4206 or at edward.f.barry4.ctr@mail.mil. Thank you for your patience during the lapse in funding and for your continued steadfast support of Connecticut's Veterans.

THOMAS P. DENNIS
