**CONNECTICUT FUNERAL DIRECTORS COLLECTS TOYS & GIFT CARDS FOR
OPERATION ELF & YALE NEW HAVEN CHILDREN'S HOSPITAL'S TOY CLOSET PROGRAM
47 Locations Welcoming Holiday Toys & Gift Cards through November 30th**

WETHERSFIELD, CONN., November 15, 2022 – The **Connecticut Funeral Directors Association (CFDA)** is holding its **16th annual statewide holiday drive** to collect toys and gift cards for military families and for children receiving medical care. **Now through Wednesday, November 30th, 47 funeral homes and locations across Connecticut (*listed below*) are welcoming donations from the public for Connecticut National Guard's Operation ELF (Embracing Lonely Families) program and for Yale New Haven Children's Hospital's Toy Closet Program.**

In addition, on **Thursday, December 1st from 8:30 a.m. to 5:00 p.m.**, people can drop off items to CFDA's **134th Convention at the Sheraton Hotel Hartford South** at 100 Capital Blvd. in Rocky Hill, Conn.

"The funeral directors and suppliers of the Connecticut Funeral Directors Association have held our own charitable holiday collection efforts for 16 years, and this is the **sixth year we also invite the public to bring donations of gift cards and unwrapped toys to local funeral homes,**" explains **David W. MacDonald, CFSP, CPC, CCO, President of the Connecticut Funeral Directors Association and a Wallingford funeral director.** "By doing so, we add **47 convenient community sites that supplement Operation ELF's and Yale New Haven Children's Hospital's Toy Closet Program's own collection efforts.** We encourage state residents to take a few minutes and come donate an item that can mean so much to another family."

All gift cards, unwrapped toys and funds collected by the Connecticut Funeral Directors Association will be delivered directly to Operation ELF and to Yale New Haven Children's Hospital's Toy Closet Program before the holidays:

Operation ELF gives these items to families of the Connecticut National Guard and all branches of the military with a loved one in the deployment cycle, who suffer financial hardship as a result of the call to active duty. Operation ELF welcomes gift cards of any dollar value for grocery or department stores, home supply stores, gas stations, and pharmacies, as well as unwrapped new toys for young people of any age. **Yale New Haven Children's Hospital's Toy Closet Program** supplies toys to pediatric patients when they are discharged from Yale New Haven Children's Hospital, and to units in its hospitals, Emergency Departments, and Pediatric Specialty Centers from Old Saybrook to Greenwich.

Donations of gift cards and unwrapped toys may be dropped off during regular business hours at any of these locations, now through November 30th (*listed in alphabetical order of town/city*):
